

May 3, 2011 – NYCC Board of Directors Meeting

Present: Ellen Jaffe, Beth Bryson, Morene Bangel, Jen Rudin, Arden Rodgers, Eunice Martinez, Grace Lichtenstein, Nicole Snow, Brigitte Padewski, Jennell Francis, Harry Woods.

Time Noted: 6:30pm

I. General Topics

1. Ellen discussed advocacy update, important Central Park ‘stakeholders’ meeting on April 26 organized by Council Members Brewer and Garodnick. “Flashing Yellow” is now supported by DOT and if implemented would trump Rodriguez-Gentile bill. But CP wiring would have to be updated at great expense. Ellen expects an official pronouncement from the meeting that provides specific rules of red light enforcement in CP. The expectation is that this will allow rolling through red lights except when there are pedestrians in the cross walk – through weekdays – not just a two-hour window of opportunity. Board discussed ways to “educate” bike users (rentals) in CP. Central Park Safety Committee has been formed as a sub-committee of the CP Recreational Roundtable. Ellen attended first meeting and feels it has potential.
2. Archive team of 17 readers has been assembled to distill 38 years of bulletins with Carol Krol as editor-in-chief.
3. NYCC online store update was given. 120 jerseys, 42 shorts, 38 socks. Profit of \$3,500+. Rolando will design arm warmers. Need to allocate funds to purchase sock minimum and a few additional pieces to serve as our own fit kit, plus one of each for designer. Motion was made to allocate \$3,000 for next “round” of gear ordered beyond member orders. Motion passed. Discussed and agreed to charge \$6.00 for new water bottles.
4. Bike Month – 42 showed up for Sunday’s Red Hook ride. Part of membership drive, Welcome Wagon and Newcomers Ride, June 12.
5. Newcomers Ride – Goswick Pavilion in Piermont; talked about catering locally from Canzona’s, plan on food for 220 people. Motion made and passed to allocate \$1,500 for food.
6. Present Kids Ride Club check at May 10 meeting to Ed Fishkin.
7. Helping Hands Committee. Westchester Cycle Club established a committee to reach out to anyone hurt on a WCC ride. We discussed that NYCC should establish same type of committee. Adrienne Browning, Morene Bangel, and Nicole Snow volunteered to be part of/head up the committee, with Ellen Jaffe being kept in the loop.

II. Treasurer's Report

Arden reported that we filed fed and NY taxes; gave highlights of the filing. West Point budget discussed; max 118 people at Thayer, \$290/person, should bring in approx. \$34,000. Motion was made and passed to approve West Point budget.
